INSA Visiting Scientist Programme (Last date: 31/01/2018)

Applications are invited for the following year from Indian citizens for the awards of INSA Visiting Scientist Programme for conducting advanced research or undergoing specialized training at Indian Research Institutes/Laboratories.

Details of Awards

These Fellowships will be awarded on a competitive basis to the **scientists/faculty** for furtherance of their research and/or research capabilities for carrying out collaborative research, undergoing training in specific techniques, or utilizing facilities not available in their own institutions. The Fellowship will be for a minimum period of one month to a maximum of 6 months in a laboratory or research institutions of his/her choice anywhere within India. Fellowships to be awarded each year will be a maximum of 120 man months per annum.

Value

During the fellowship period, awardees will be paid consolidated amount of Rs.30,000/- (maximum) per month to cover their expenses related to boarding, lodging, travel etc.

Application Procedure

Applications will be invited once a year. The applicants would be required to provide a concise account of their plan of work/ study besides their bio-data highlighting their achievements. It would be desirable that the applicant should have approached the host institution and the scientist concerned to ascertain their concurrence to accept him/ her.

The applicant should be a **Scientist/Faculty** in any R&D organisation including Universities or Affiliated Colleges in India. Applicants should not have availed INSA Visiting Scientist Programme in **last one year**.

Candidates should submit their application (Two Sets) on prescribed application form available in the Academy through proper channel to the **Deputy Executive Director-I (Scientific)**, Indian National Science Academy, Bahadur Shah Zafar Marg, New Delhi - 110002. The decision of the Academy will be communicated during April / May in the following year.

APPLICATION FORM FOR INSA VISITING SCIENTIST PROGRAMME

Proposed Laboratory / Research Institution to be visited in India			
Name of Division with full address			
Subject			
Duration of Visit			
Area of Specialization			
Proposed Date of Visit			
1	(a) Name of Applicant		
	(b) Present position and contact address with telephone, E-mail and Fax		
	(c) Age & Date of Birth		
2	Educational Qualification (From Post-graduation onwards)		
	Degree Obtained	Year	University / Institute
			any other details / Remarks
3	Bio-data including research experience/interests and publications		
(a)	Purpose of proposed visit:		
	Learning Specific Techniques	Collaborative Research	Any other Purpose
(b)	Details of the specific technique/utilizing collaborative research facilities in laboratory to be visited.		
(c)	Whether the above facility is available in your parent organisation or not.		Yes/No
4(a)	Name of the Scientist(s) with whom work is proposed to be carried out.		
(b)	Have you been accepted or have you obtained concurrence from the host institution. (<i>Letter of acceptance to be enclosed</i>)		
5	Have your deputation with salary leave, etc. from your parent organisation for your proposed visit has been approved? (<i>Please attach a deputation letter from your employer</i>)		
6	Name and address of two referees:	(i)	(ii)
7	Any other relevant facts which have not been covered in the above columns.		
I certify that I have not availed INSA visiting scientist programme in last one year.			
Date:		Signature of the Applicant	
Place:			
Forwarded			
Seal:		Signature & Designation of the	
Date		Head of Institution
