

Recipient of INSA Young Historian Science Award 2016

1. Dr. Anuj Misra, Research Associate, University of Canterbury, New Zealand.

For his scholarly contributions towards the study of Goladhayaya of Siddhantasvaraja, a seminal text on Mathematical Astronomy by Nityananda, a 17th century astronomer in the court of Shah Jahan.

2. Dr Naresh Keerthi, Research scholar, National Institute of Advanced Studies, Bangalore.

For the excellent studies he has done in trying to remove some of the misconceptions in interpreting the technical terms employed in Sanskrit literature, and also shedding light on the traditional lexical corpora.
