

Indian National Science Academy
Equal opportunity Policy for Persons with Disabilities

The Indian National Science Academy was established in January, 1935. It is a Registered Society under Societies Registration Act, 1860 funded by the Department of Science and Technology, Govt. The Academy is working with the object of recognizing excellence at national/ international level, promoting science in India and harnessing scientific knowledge for the cause of humanity and national welfare. It works through various advisory committee/s, National Committee/ Editorial Boards etc. of Eminent Scientist (primarily Fellows of the Academy). The Academy has instituted international awards, medals, prizes lectureships and professorships for eminent scientists in various discipline for which a small secretariat is set up.

INSA follows Govt. of India instructions for empowerment of persons with disabilities (PwD). It has been the endeavour of the Academy to maintain conducive and harmonious work environment to ensure that the persons with disabilities enjoy the right to equality, life with dignity and respect for his or her integrity equally with others. A Grievance Officer is also nominated for the purpose of receiving and disposing of Grievances.
